1Excludes projects approved by the Governor which did not meet their targets by the projected completion date and for which funds were never disbursed.
2Extensions do not apply to MEE grants.
3Initial company notification reports the actual jobs, investment, and wages achieved as of the projected completion date.
4No formal verification procedures were in place prior to 4/1/17. Projects with projected completion dates or payout dates on or after 4/1/17 have been verified through VEC data and with local Commissioners of the Revenue.
5Status Definitions:
Within performance period: Companies within performance period are not required to report until the established projected completion date.
Company notification period: Company notification period means that companies are within the reporting stage for the agreed-upon targets.
Within payout period: Denotes companies that have met the established targets and are within the payout period. MEE grants are paid in five equal installments over a five-year period.
Payout completed: Denotes companies that have met the established targets and for which the grant has been fully paid.

Independent Verification: Requires companies to independently verify jobs, capital expenditures, and wages achieved.

Status Definitions:
Within performance period: Companies within performance period are not required to report until the established projected completion date.
Company notification period: Company notification period means that companies are within the reporting stage for the agreed-upon targets.
Within payout period: Denotes companies that have met the established targets and are within the payout period. MEE grants are paid in five equal installments over a five-year period.
Payout completed: Denotes companies that have met the established targets and for which the grant has been fully paid.
