JLARC Recommendation No. 24: "The Virginia Economic Development Partnership (VEDP) board of directors should require VEDP to develop and use standard policies and procedures that clearly explain when and how staff should enforce clawback provisions. Enforcement should be consistent and effective for all companies that do not meet their contractual obligations, including wage requirements. **The board should require VEDP staff to report regularly to the full board on each project that is subject to a clawback and the repayment status for each project that is subject to a clawback.**"
